MEMORANDUM

K.M. Sull

From: K. M. Smith, CAPT
CG LANTAREA (LANT-01)

To: CG PSC-PSD-M&A

Subj: RECOMMENDATION FOR AWARD OF THE HUMANITARIAN SERVICE
MEDAL FOR HURRICANE SANDY RECOVERY AND RELIEF OPERATIONS

Ref: (a) Medals and Awards Manual, COMDTINST 1650.25D

1. On 8 July 2013, the Joint Staff approved the Humanitarian Service Medal for Department of Defense service members of Task Force Hurricane Sandy Response. Therefore, in accordance with the criteria outlined in reference (a), it is recommended Coast Guard service members who were physically present and provided direct, hands on assistance to the people of New York and New Jersey during and after the landfall of Hurricane Sandy be awarded the Humanitarian Service Medal for the period of 29 October 2012 to 25 November 2012. Additionally, Coast Guard service members who directly participated in search and rescue cases, which were a direct result of Hurricane Sandy, are recommended for the award.
2. Hurricane Sandy was a storm of historic proportions sweeping through the Caribbean and up the east coast, making landfall 29 October 2012, in the vicinity of densely populated area of Atlantic City, New Jersey causing 71 billion dollars in damage, destroyed thousands of homes, and leaving more than 8 million people without electrical service. Over 260 people lost their lives to the storm, of which 131 deaths occurred in the United States.
3. The U.S. Coast Guard saved 35 lives and responded to over 559 Federal Pollution cases. Most notably, the search and rescue case of the HMS BOUNTY where 14 lives were saved, and the Coast Guard's involvement in the clean up and recovery of 1,797,983 gallons of oily-water mixture and hazardous materials in the affected region.
4. In the aftermath of the Hurricane, 833 total members were deployed into the affected regions to support response efforts; 521 Coast Guard active duty, 184 Coast Guard reservists, and 12 civilian personnel were activated.

Chief of Staff,

Below is the suggested email answering the HQ questions on the Humanitarian Service Medal for Sandy. If it meets your approval, we just need to either electronically sign the 1650 attached, or sign and scan in a copy, and add your signature block to the email below.

Hard copy package will be in the front office shortly.

v/r

CAPT Michael W. Wampler
Chief, Personnel Division
U.S. Coast Guard Atlantic Area (LANT-1)

=====

BLUF: Amplifying information for approval of the Humanitarian Service Medal for CG Support of the Hurricane Sandy Response/Recovery Operations.

Background

Hurricane Sandy caused over \$70 billion in damage, destroyed thousands of homes and left over eight million people without electrical service. An unprecedented 14 foot storm surge severely disrupted the marine transportation system in the nation's third largest commercial port with transport over \$205 billion in commerce each year and impacts over one-third of the country's populations. Coast Guard forces were a vital component in the multi-state/multi-agency response and relief efforts in the Port of New York and New Jersey. Coast Guard forces, partnered with the U.S. Army Corps of Engineers Joint Task Forces helped New York recover from this tragedy and supported the massive effort to dewater the Hugh L. Carey Tunnel, the major commuter line to downtown Manhattan from the Brooklyn Plaza tunnel entrance, which was flooded with 86 million gallons of water. Coast Guard forces also responded to 556 pollution threats and managed three major oil spills. At the height of the storm, Sector New York's Command Center and Incident Management Team expertly coordinated responses to Search and Rescue cases involving 173 persons trapped by catastrophic coastal flooding. These tasks were accomplished despite massive electrical and communication outages, crippled infrastructure, and severe fuel shortages through New York City and northern New Jersey.

US Joint Staff memo dated 12 AUG 2013 authorized the Humanitarian Service Medal for wear by the DoD forces that surged to New York and New Jersey to support the humanitarian effort between 29 October to 25 November 2012.

To provide parity with our DoD partners in this response effort, LANTAREA memo dated 08 NOV 2013 requested authorization of the Humanitarian Service Medal for Coast Guard personnel meeting the same criteria.

The Coast Guard package was returned from the HQ Awards Board requesting additional information.

LANTAREA Response to PSC-PSD-M&A Questions:

The HQ Awards Board requested clarification in five areas in order to move forward with the authorization of this medal. Below is LANTAREA's response to each:

1. We need to document the Area of Operation.

The Area of Operation as also specified in the DoD award is inclusive of the States of New York and New Jersey. Eligible personnel were determined by the Area and District Commander as those units in the affected area and personnel that surged to 1st District specifically for the recovery efforts in New York and New Jersey.

2. A CG-1650 needs to be included in the package.

Completed and included.

3. We need to verify the dates to see if the DoD timeframe is sufficient for CG ops. Would the AFSM be more appropriate.

In accordance with COMDTINST M1650 series, the specified timeframe is sufficient for the award of the HSM. THE AFSM was not considered as we were attempting parity with the DoD for the response as a whole, thus setting the criteria exactly the same as DoD so as to not cause confusion.

4. Should more information be included on SARs.

Although the CG responded to over 170 SAR cases, this was only a portion of the events that occurred in the response. There were also over 550 pollution cases and countless critical infrastructure failures that were restored as part of the response in whole. I recommend keeping the current language in the HSM request to capture full statistics rather than individual cases, and if an individual SAR case warrants merit for additional recognition, have personal awards drafted to recognize achievements in those specific events.

5. We need a roster of eligible personnel.

Included is a roster compiled from the Operational Commanders in New York and New Jersey, the Strike Teams, and from MRTT Hurricane Sandy deployed personnel report.

Please submit the above information back to the HQ Awards Board for consideration. Thank You.

v/r
